

At the Birmingham Medal society Annual General Meeting held in The Garden House, Birmingham on Thursday 2nd April 2015 Philip Wilson was installed as the Society President for the three years 2015-2018.

Philip joined the BMS during 1985 and became Secretary in 1993, a post he has held since, until his evening. He was also a member of the Orders Medals & Research Society Committee for a number of years.

Philip is heavily involved with the Royal British Legion and with his in-depth knowledge of medallic subjects will be well suited for the role and is the 17th President.

He was handed the President's Jewel by outgoing President Martin Harrison who gave a précis of Society events and developments that had taken place during his past three years in office. Martin now becomes Vice President.
